

BEFORE YOU BUY AN

AI TOY:

Family Safety Checklist

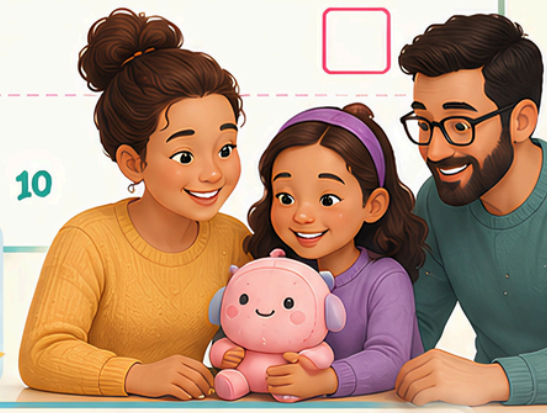

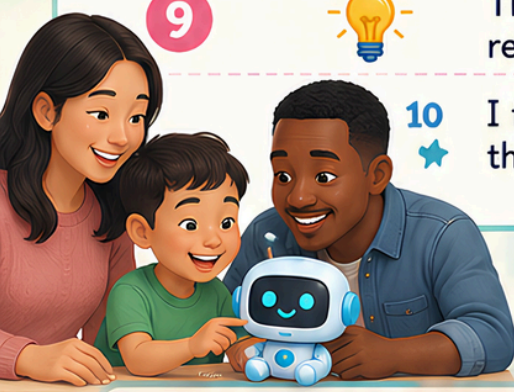

♥ A smart purchase today. A safer childhood tomorrow. ♥

Brought to you by

securechildrensnetwork.org

- 1  I know what information the toy collects.
- 2  I have read the privacy policy.
- 3  I know whether conversations are recorded.
- 4  I understand where my child's data is stored.
- 5  I know how to delete stored recordings.
- 6  I have enabled parental controls.
- 7  My child understands that AI is not a real person.
- 8  We have limits for AI toy use.
- 9  The toy supports learning without replacing family interaction.
- 10  I feel comfortable with the company that makes the toy.

♥ YOUR CHILD. YOUR GUIDANCE.
When in doubt, pause and ask questions.
Your **awareness** is their best protection. ★

PRO TIP

There is no perfect toy.
But a thoughtful choice today
benefits your child for years to come. ♥
